THE JOINT CHIEFS OF STAFF
WASHINGTON, D.C. 20301

THE JOINT STAFF

4 January 1982

Admiral B. R. Inman
Deputy Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Admiral Inman:

Vice Admiral Boyes (USN-Retired), President of AFCEA, has advised us of your willingness to participate on April 21, 1982, at the jointly sponsored AFCEA-NSIA Spring Symposium. As Co-chairman for this symposium, we are delighted that you can fit this event into your demanding schedule and welcome your participation. We have prepared this letter to provide you a current status report on planning for the conference.

The conference will take place 20-21 April 1982 in the State Department Auditorium in Washington, D.C. The conference will provide a forum to project and examine C3I Concepts for Warfighting Capabilities in the post-1987 period. Vital issues and requirements based on evolving doctrine and tactics will be discussed. Sufficient time will be devoted to each issue presented to convey its scope, impact, and urgency. We have attached a draft of the program as it currently exists. Senior participants as well as the general outline of sessions have been confirmed with the exception of the sessions involving the Rapid Deployment Joint Task Force (RDJTF). General Taylor, on behalf of General Kingston, has agreed the RDJTF will participate. However, the demands of Bright Star have precluded, to the present, detailed discussions with General Kingston and his staff to organize the session.

Although we are endeavoring to include intelligence issues and requirements in each of these sessions, we believe your participation will highlight these issues and help to balance the emphasis on C3 issues.

We welcome your participation as the opening speaker on the session for 21 April and would be delighted to discuss this conference further with you, or assist in any way, to make your participation more productive and useful.

Warm regards,

ROBERT D. TERRY
Major General, US Army (Retired)
Conference Co-chairman

HILLMAN DICKINSON
Lieutenant General, US Army
Director for C3 Systems
Conference Co-chairman
